Newsletter 7

Dear Parent/ Carer,

It has been another lovely week in school with children continuing to delve deeper into our big question 'Where will our future take us?'. Children across the school have had great fun using technology to become doctors this week. They are also working hard to complete their final outcomes in art and design technology; there are some beautiful paintings of 'Starry Night' by Van Gogh and fabulous Stonehenge 3D structures. We have spent time discussing future careers and how our learning in school will help us to achieve these goals- we can't wait to see the children dressed as their dream career next Thursday!

Achievements at Gagle Brook

The children thoroughly enjoyed assembly this morning with Mrs Burridge and were excited to cheer on our stars of the week who are:

We are all very proud of the children and they truly deserve their place on the golden table at lunchtime and I know Mrs Burridge and Mr Street are looking forward to joining them.

Our winning house is '**Willow House**' this week! A huge well done to you all! Our attendance winners this week are **Gosling Class (reception)** with **98%**. You are all spectacular!

Our Gagle Brook Targets

During assemblies over the past few weeks we have been talking about the things that we are all working hard on at school and celebrating our successes together. It would be wonderful if these could be used with the children at home when they are out and about or when doing their home learning. Our targets are:

At Gagle Brook in 2021-2022, we are working really hard to...	
...talk about what we have learnt and what we know to help us remember more and be able to do more.	
...ask enquiring questions to discover and explore further, helping our brains to grow.	
...present our work beautifully, knowing that our books are our pride and joy, and we treasure them.	
...discover the meanings of new words so we can use them when we read, write and communicate with others.	
...use our values and One Planet Principles to help us care about our learning, each other and the world around us.	

FROGs Autumn Disco – Wednesday 20th October - 3.15pm-4.15pm

A reminder that tickets are still on sale for our first Gagle Brook Autumn Disco from the School Office. Staff and parents are excited to host this event and are looking forward to a good old boogie with the children! Please note, nursery and reception children will receive a 'goodie bag' as part of their ticket price. Years 1-3 will be able to bring money (a maximum of £2) to spend at our 'tuck shop' and 'glow toy shop'. Please can spending money (Y1,2,3 children) be put in a named envelope or purse and handed directly to the teachers at the beginning of the day so it is kept safely in the school office. Children with tickets will be taken straight to their disco from school by their teacher and will need collecting from their classroom door at 4.15pm, where teachers and staff will see them out safely. Children will be able to wear party clothes

to school on this day to save them getting changed (please note children will not need to be in PE clothes on this day).

Running Club News from Mrs Walden

An absolutely huge week at running club! On Wednesday the children ran 401 laps and a total of 16.2 miles! Our grand total so far ... drum roll is 1107 laps and 44.2 miles (We are in Reading now... well on our way to London!). A big well done to all our runners!

Dragonflies

Dragonflies, our breakfast and after school wrap around care, is bursting with fun and opportunities ready for your children. If you would like to sign your child up, please use the form that can be collected from the school office, or catch up with Miss Hopkin for further information.

Parent View

Finally, it is important to us that we can have your feedback on school life so we can work together in partnership. If you have a few minutes, we would really appreciate it if you could add your feedback to Parent View (link attached). Many thanks.
